

MACHAME ROUTE

8 Days / 7 Nights

Machame Route

Duration: 8 Days / 7 Nights

Type: Private Safari

Main Focus: Adventure

Country: Tanzania

Overview of the Machame route

The **Machame** or “Whiskey” route starts in lush **rainforest** at Machame Gate, crosses the **Shira Plateau**, and tackles **Lava Tower**, the **Barranco Wall**, and **Barafu** before the summit. It is one of the most scenic southern circuits and very popular.

Common lengths are **6 or 7 days on the mountain** (plus hotel nights). The extra day improves acclimatization and is generally easier on the body than the 6-day schedule.

Safety first: Normal age band **12–70 years** for group departures unless your consultant approves otherwise.

Expert recommendation

Machame offers varied landscapes and strong views. The **6-day Machame** is demanding for beginners because it compresses acclimatization; **7-day Machame** is usually a better fit if you have limited altitude experience.
