

UMBWE ROUTE

8 Days / 7 Nights

Umbwe Route

Duration: 8 Days / 7 Nights

Type: Private Safari

Main Focus: Adventure

Country: Tanzania

Overview of the Umbwe route

Umbwe is the **steepest and most direct** line on Kilimanjaro's south side through the forest, then joins the southern circuit at **Barranco**. The first two days are strenuous; later days follow the same summit line as **Machame**.

Usually offered as **6 or 7 days on the mountain**. Best for **fit trekkers** who can maintain a sustainable pace and follow guide advice closely.

Safety first: Typical age range **12–70 years**.

Expert recommendation

Not the default choice for a first high-altitude trek. If you are unsure, consider **Machame 7-day** or **Lemosho 7/8-day** instead.
